

RANDWICK GIRLS' **HIGH SCHOOL SONG**

Let truth and honour be our guide
Through all our length of days
And move no finger's breadth aside
From God's most holy ways.

Our burden then shall be so light
Our shoulders strong and free,
And cheered by sunshine warm and bright,
Our path through life shall be.

O Randwick High we'll honour thee
Through all our length of days,
And may we always strive to be
The best in every way!
