## Special Religious Education (SRE) Participation Letter

Randwick Girls' High School is required to provide time for practicing religion.

The school website (<https://randwickg-h.schools.nsw.gov.au/learning-at-our-school/religion-and-ethics.html>) provides SRE information such as a link to Providers' curriculum. To commit your student to practising a faith, you must opt-in via this letter.

Please note, you are committing your student to the practice of the faith. The lesson is not an objective study of the faith.

Students who opt-in will continue with the same arrangement from year to year unless a request in writing is received from the parent/carer.

For more information about Special Religious Education (SRE) including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

If your preferred SRE option is not available below, please contact the approved provider.

Students who do not attend SRE undertake supervised alternative meaningful activities.
