WELCOME

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

I hope the summer break was a relaxing and refreshing time for all families.

Once again, a big welcome back to a new and exciting year of learning for our students. We are delighted that the year has started well. It has been lovely to see the smiling faces all around school especially from our newest students, the Year 7s, over the last two weeks. They have shown great maturity, strength and adaptability in adjusting to high school life and I am very proud of them.

The rest of our students have also started their academic year enthusiastically, which is so pleasing to note.

Welcome all to the 2023 academic year!

Students urged to set goals for 2023

All students across the school have been asked by staff to begin the year with some academic and personal goals for the year. Students are encouraged to write these goals down and keep them in a safe place and

Principal's message continued on next page

Hats are now
part of the RGHS
Uniform!

the school's
uniform shop

Get one to protect yourself

Principal's message continued

review them a few times throughout the year. A perfect place to start with setting academic goals is to review Semester 2 School Reports from last year.

Please assist your daughters if they seek your help with these goals.

Permission to publish

Please update this information with the school if you haven't already done so last year, or if you are a new parent. It is critical that the Front Office receives a signed copy from parents and caregivers to give us permission to publish your daughter's photographs and work. This permission also means that we can take a photograph of your child at the designated school photograph day, and then publish the photograph in the Jirra Yearbook which is compiled by Year 9 students for distribution at the end of each year. Your cooperation in this matter is appreciated.

Change of address and other details

Please update your details with the Front Office if you have moved, taken on a new mobile number or changed your email address. It is important that we have the right contact details as we may need to contact you from time to time such as a medical emergency.

Uniform Update

Randwick Girls' High School is a uniform school. Students are expected to wear full school uniform every day unless they have a valid reason. In this instance, they are to bring a note from their parents. All uniform items are now available for purchase from our uniform supplier, Wileys. You can also order online by visiting their website.

Mobile phones

The use of mobile phones is not permissible in the classroom. Phones may be confiscated for 24 hours if students do not comply with this requirement.

The school will be working with staff, student leaders and parents to determine other appropriate approaches in the coming months.

Year 7 parents

There will be a Meet and Greet night on Monday 20 February from 5:30 pm in the library courtyard. Please come and meet your daughter's teachers and other parents on this night, over a lovely barbecue

organised and sponsored by the P&C. Mr Rekic, Ms Reilly and I, together with our staff, look forward to meeting you!

Communication with the school

Your daughter's Year Adviser is the first port of call for all matters. They may direct you to the right person to contact in the school after the initial contact.

The Year Advisers for 2023 are:

- Year 7 – Ms Tomov (English staffroom)
- Year 8 – Ms Tweneboa (Social Sciences staffroom)
- Year 9 – Ms Venizelou (Mathematics staffroom)
- Year 10 – Ms Nelmes (English staffroom)
- Year 11 – Ms Rollo (TAS staffroom)
- Year 12 – Ms Thornton (PDHPE staffroom)

For academic related queries, the subject teacher as well as the Heads of Departments can be contacted.

The Head of Departments for 2023 are:

- English – Ms Livesey
- Mathematics – Ms Moore
- Science – Ms Chapman
- History – Ms Jansen
- Social Sciences – Mr James
- PDHPE – Mr Davidson
- TAS – Ms Neroutsos
- Creative Arts – Ms Theodoridis
- Wellbeing – Ms Garcia
- Secondary Studies/LOTE – Mr Roma
- Teaching and Learning – Ms Roberts

To contact these teachers, you can email randwickg-h.school@det.nsw.edu.au, using Attention: (use the name of the specific teacher), or phone the Front Office on 9398 3233 and leave a message for the teachers to call you back.

P&C

The school encourages parents to participate in their daughters' education by getting involved with the school. One way to be involved is through involvement with the P&C. You are encouraged to attend P&C

meetings which are usually held once a month during term. Dates are available from the school's website.

Our first P&C meeting will be held on Monday 27 February. You are encouraged also to support the

Principal's message continued

school through your financial donation to the P&C Contribution of \$50 per student. These monies will be used to provide essential educational needs for the

students. I thank you all in advance for assisting the school to provide more resources for our students.

Lucy Andre
Principal

From the Deputies

I would like to start my first report of the year by welcoming back all our wonderful staff and students to another year at Randwick Girl's High School, as well as extending a special welcome to our incoming Year 7. As the class of 2028, you still have many years of high school ahead of you. These years will be amongst some of the most memorable, and the knowledge and skills that you develop along the way will stay with you for the rest of your life. I encourage you to take advantage of all the opportunities that Randwick Girls' has to offer, be they in class, through our extensive co-curricula programs, clubs, sporting teams and organised events. High school is time to explore your interests and challenge yourself to try new activities, within a safe and supported environment. I wish you all the best in your scholastic journey ahead, and look forward to the opportunity to meet students and parents over the course of the following years.

Each year group has its own unique challenges, none more so than our Year 12, class of 2023. Whilst this year is a capstone year, learning is always ongoing and a lifelong process. With that in mind, this year contains a lot of skills, knowledge and competencies to master. I encourage you to strive for your personal best and maintain a high attendance in order to maximise your learning. Organisation, and seeking assistance when necessary are key to managing the competing demands of Year 12. And no matter what year you are in, be aware that your teachers are always ready to assist and answer any questions you may have.

This year's swimming carnival was one of the best ever, and despite an early morning drizzle, staff and students attended en masse. This was the first year in many, that the swimming carnival

was attended by all year groups, and the fantastic levels of attendance and participation was a wonderful way of celebrating this transition. A big thanks goes to the PDHPE faculty for the amazing job they did in coordinating this event.

Until next time
Mr Rekić

Welcome back to the 2023 school year. I would like to extend a warm welcome to our new Year 7 students and our many new students across Years 8-12. It is great to have you join our Randwick Girls' community. It has been a busy start to the year and our students have settled in well ready for a positive year of learning.

I would like to publicly congratulate our Year 12 class of 2022 for their exceptional results last year. It is so pleasing to hear all the uplifting stories of our students moving beyond school into their chosen pathways.

At the start of each year, our new class of Year 7 students participate in the Year 7 Orientation Program, an action-packed week of fun activities. The Orientation week allows the newest members of our community to make a confident start to secondary schooling. My thanks go to all the parents and staff for their hard work in preparing for the new school year.

From the Deputy's continued on page 15

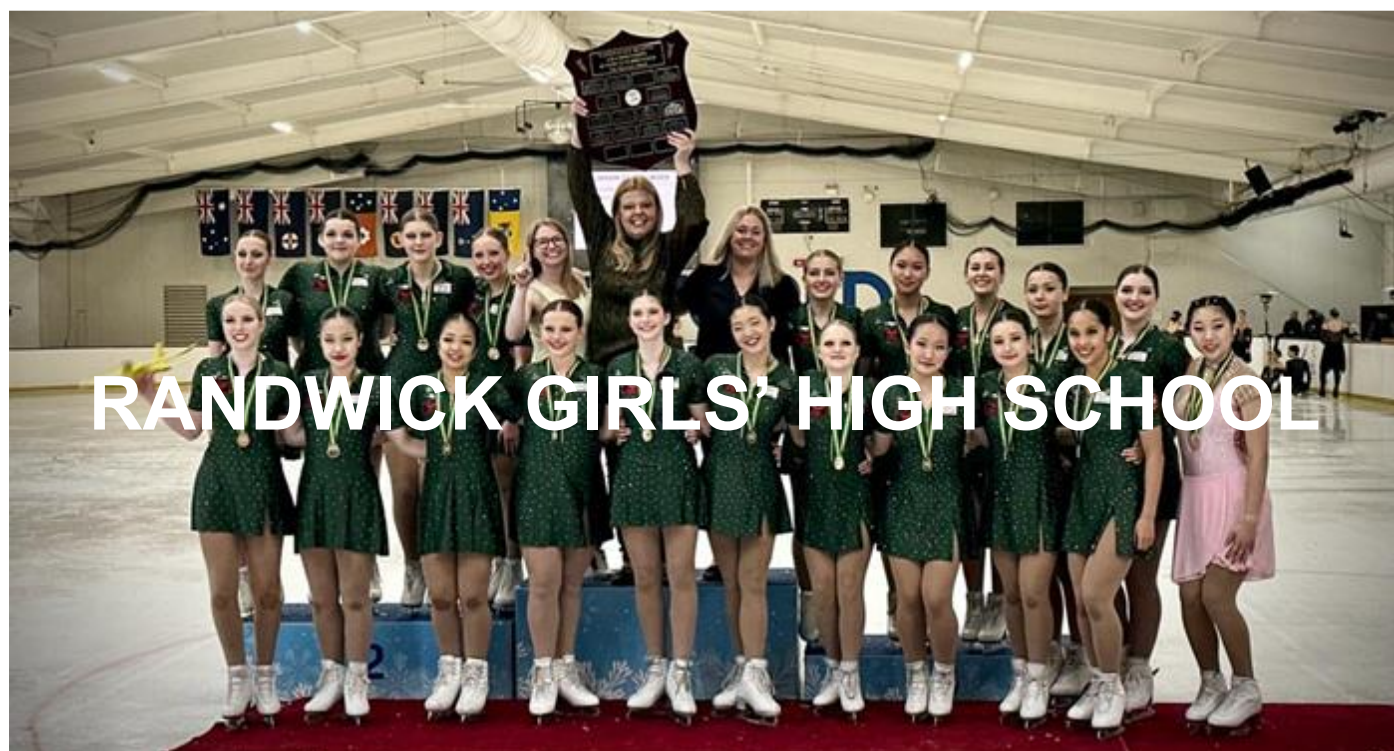

Go Abby!

Abby is a member of Majestic Ice Australia and represents Sydney Figure Skating Club. In November last year her team, Majestic Ice Junior, won the Junior Synchronized section when competing for NSW at the Australian Figure Skating Championships, held in Brisbane.

Her team will now be representing Australia and heading overseas at the end of February to compete at two international events in March. These two events are the Swiss Cup held in Widnau, Switzerland and the World Junior Synchronized Skating Championships in Angers, France.

Abby's team will be holding a monster garage sale at Canterbury Olympic Ice Rink car park on Saturday 11 February, to raise money to help fund the trip overseas and extra training sessions. She also has a Go Fund Me page: <https://gofund.me/116734e9>

Go Abby, we know you will do us proud!

Example of completed school facilities

Randwick Boys High School and Randwick Girls High School upgrades

Project update | February 2023

Investing in our schools

The NSW Government is investing \$8.6 billion in school infrastructure over the next four years, continuing its program to deliver 160 new and upgraded schools to support communities across NSW. This builds on the more than \$9.1 billion invested in projects delivered since 2017, a program of \$17.7 billion in public education infrastructure.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

We're upgrading Randwick Boys High School and Randwick Girls High School to provide modern facilities and improve educational outcomes for the school community. The delivery of these projects is essential to the future learning needs of our students.

The upgrade to Randwick Boys High School will deliver upgraded science labs, a Fitness Learning Hub and new Technology and Applied Sciences (TAS) facilities.

The upgrade to Randwick Girls High School will deliver refurbished TAS facilities, a new woodwork learning workshop, enhanced library facilities and an administration reconfiguration that involves relocating the school entry.

In addition to the upgrades, other improvements will be made to both campuses including toilet facilities, roof replacements, power supply, enhancements to the halls and upgrades to movement areas, including covered walkways.

Randwick Boys High School

Progress summary

The contract for the construction of the new Fitness Learning Hub was awarded before the end of Term 4 2022 and construction started on 16 January 2023. Works to demolish the existing science laboratories are underway.

Over the summer school holidays, school-funded landscaping improvements were made around the school, and these are ready for the start of Term 1 2023.

Next steps

Works will continue on the new Fitness Learning Hub and construction is expected to be finished by the end of April 2023.

We have started the procurement process for the science laboratory upgrades and a contract is likely to be awarded this Term.

The procurement process for the electricity upgrade has also started and negotiations with electrical contractors and the energy authority are ongoing. Work on this upgrade is expected to start during this term and be completed in Term 2 2023.

Randwick Girls High School

Progress summary

Construction of the new woodwork learning facility is finished and it will be opened for teaching and learning in early Term 1 2023. Minor works to finish the fit out such as installing LED lighting will be completed over the coming weeks.

Over the summer school holidays, we completed planned maintenance works to upgrade staff bathrooms and replace the roof of Block C.

Next steps

Work on the roof replacement for Block E continues and is expected to be finished by mid-February 2023.

We have started the procurement process for the upgrades to the food technology classrooms and a contract is likely to be awarded this Term.

Get involved

We will continue to share project updates with the community. For more information about the project, please visit the project webpage on edu.nsw.link/RBHS-RGHS

For any questions or feedback related to the upgrades, please contact us on the details below.

Creative Arts News

Welcome back from the Creative Arts Faculty!

The Creative Arts faculty would like to welcome all students back to school this year. We are looking forward to a year full of creativity and innovation in our classroom and beyond. Both Music and Visual Arts teachers have some exciting opportunities in stall for our junior and senior students with exciting new programs, task and learning opportunities. We look forward to seeing our students flourish in their learning and engage with their passion for Music and Visual Arts this year.

Once again, our HSC students experienced phenomenal success in the HSC. We would like to congratulate our Visual Arts and Music students who persevered with their Bodies of Work and musical performances despite the difficulties they faced in 2021 whilst completing their Preliminary course.

Visual Arts News

Art Express Opening Night at The Art Gallery of NSW

Congratulations to Sunny Pather and Tallulah Eaton Lipman for their Art Express success. These students have achieved the highest honour in the Visual Arts HSC with their work featuring in a series of exhibitions that represent the top 5% of HSC artwork submissions in NSW. Sunny's artwork is currently on display at the Art Gallery of NSW and will tour to the Glasshouse regional gallery.

Stay tuned for Tallulah's artwork, *Endangered species of delusion* which will feature in the Virtual Exhibition, Art Express at Sydney Olympic Park and Mudgee Arts Precinct

Promising beginnings

Our 2023 Year 12 cohort have worked hard particularly over the holidays, making a solid start on their Bodies of Work. They impressed teachers with their enthusiasm, independence, and level of progress. Keep up the good work, Year 12; we know you will produce phenomenal work this year! We look forward to sharing artworks from Year 7, 8, 9 and 10 in our next newsletter.

You've already come so far Year 12!

Excursions to look forward to:

Wednesday 22 February

Year 11 Visual Arts to Do Ho Suh at the Museum of Contemporary Art

Year 12 Visual Arts to Art Express at the Art Gallery of NSW

RGHS Art Club 2023

Due to popular demand, Art Club will continue in 2023 and will take place on Monday afternoons between 3:15 pm and 4:30 pm in room 210A commencing in Week 5 on Monday 27 February. Art Club is an extracurricular activity for *serious* Visual Arts students planning to select Visual Arts in Year 11 and 12. Art Club is a place where highly motivated students in Years 7-10 can develop their skills both independently and under the guidance of a Visual Arts teacher. Please speak to your Visual Arts teacher if you are interested in joining. Listen out for an announcement in the daily notices. Permission notes can be collected from the notice board outside the Creative Arts Staffroom and returned to either Ms Theodoridis or placed it in the black letterbox near the staffroom door.

What's on in Sydney for budding artists

The Randwick Women Art Prize

To celebrate 2023 International Women's Day, Randwick City Council is again holding its annual *Women's Art Prize*. This year we invite women who live, study or work in Randwick to enter the youth or local categories and have expanded the prize categories to include a new *open* category for women of any age with a connection to Randwick LGA.

Entry forms are available online. Entries close 20 February 2023.

<https://www.randwick.nsw.gov.au/community/randwick-city/arts-and-culture/womens-art-prize>

Art Club and Short Courses at The National Arts School

NAS Art Club returns in 2023 for young people aged 15-17 years, Art Club is a weekly class specialising in taking your art skills to a new level in a fun and supportive environment.

Music News

In the classroom

Year 7 students will begin with the keyboard and traditional Western notation, and a rhythmic composition assessment will be due end of the term. Year 8 students will focus on early Rock 'n' Roll music and the guitar, writing lyrics that fit the 12-bar blues. Year 9 will be studying the topics Classical Music, Australian Music and Popular Music. They will have the opportunity to compose their own Popular songs using the latest technology and will take part in performances.

Our HSC students will study works from the 20th and 21st centuries, including Australian composers such as Nigel Westlake and Elena Kats-Chernin. A busy start to the term, listening to composers from around the globe and across time!

Concert Band

Ensembles have started! Our dedicated Concert Band members eagerly resumed rehearsals in the first week. We welcome back our musicians and would like to invite any new students who play instruments to join. Please speak to Mr Fletcher in the Creative Arts staffroom if you would like to audition; we are always excited to welcome new students to our ensembles. If you were a part of your primary school's Concert Band, we encourage you to participate! Rehearsals are held each Friday at 8 am in the A block rehearsal room.

Our first performance will be at the Randwick Girls' High School Class of 1971 reunion and our Open Night in Week 7. Thank you to all our ensemble students for proudly representing our school at significant events. Your school community values your talent, time and commitment to rehearsals and performances.

Choir

The choir will begin rehearsals in Week 3 and will take place in A Block on Tuesdays at lunchtime. Please join us for a new and exciting program supervised by Mr Fletcher, Ms Kothari and led by Alissa-Jean Fifita in Year 12, who will share her specialist knowledge in choral singing with our students. Our choir will participate in the [In Concert-Secondary Choral Festival](#) at Sydney Town Hall. Over two performances, our students will have the opportunity to sing in a massed choir with more than 500 other students and perform a range of significant choral works. An exciting event to look forward to for our aspiring singers.

Speak to Mr Fletcher and Mrs Kothari if there is an ensemble that interests you. Your teachers will be happy to allow practice time at lunch times when requested.

What's on in Music in the Eastern Suburbs?

[Bondi Beats](#) is a free community platform for young people in the local Waverley area aged 13-17 (and open to all levels) that focuses on DJing, MCing and music production. The program is a first-of-its-kind in the local area, catering to young people interested in contemporary music production and performance. Term 1 will run as 8 x weekly 2hr after-school sessions launching February 2023.

SCHOOL VACCINATION PROGRAM UPDATE

Dear Parents/Caregivers

Keeping your child up to date with routine vaccinations helps to protect them from serious preventable diseases. As part of the NSW School Vaccination Program, students in Year 7 are offered free vaccines to protect them from diphtheria, tetanus, pertussis (dTpa) and human papillomavirus (HPV). In Year 10, students are offered the free meningococcal ACWY vaccine.

Your consent is required for your child to receive routine vaccinations at school. If your child is in Year 7 or Year 10 this year, **you can now provide this consent online.**

This year's school vaccination clinics will be held on February 27 for Year 7 and June 19 for Year 10.

You can provide consent for your child's vaccinations via ServiceNSW using this [link \(https://nexus.health.nsw.gov.au/\)](https://nexus.health.nsw.gov.au/).

From February 2023, **only one dose of HPV vaccination is required** to be fully vaccinated. This change has been endorsed by the Australian Technical Advisory Group on Immunisation (ATAGI) based on the latest evidence showing that one dose provides the same level of protection against HPV as two doses.

If you have already consented to your child receiving two doses of HPV vaccine, they will only receive one dose.

If your child is in Year 8 or above and previously missed their second dose of HPV vaccine, they are now considered fully vaccinated and do not require a second dose.

A small number of students who are immunocompromised are still recommended to receive a three-dose course of HPV vaccine. If your child is immunocompromised, it is important to discuss their immunisation needs with their GP.

If your child misses a school vaccination clinic, the school immunisation nurses will try to catch them up at their next visit. Alternately, you can speak to a GP or pharmacist about catching up on vaccination.

For more information on school vaccination visit: health.nsw.gov.au/schoolvaccination or if you have any questions, please contact South Eastern Sydney Public Health Unit on **9382 8333 (Ext 2)**.

They're Back!!!

Dear Parent/Carer

From time to time we need to advise parents and carers to be vigilant against nits or lice (eggs). Anyone can get head lice through direct head-to-head contact but also from sharing hats, brushes and other personal items. Head lice are a problem in many communities and do not reflect poor hygiene or social status.

Please check your child's hair tonight for nits or lice and if you find any, go to your local pharmacy to ask for assistance for the best treatment.

Please do your part to prevent the spread of this communicable condition by checking your daughter(s) hair daily for the next few weeks and on a regular basis thereafter. Lice infestation is much easier to treat if caught early.

Further information on head lice is available in English on the NSW Health website at <http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx>

Your assistance in this regard is appreciated.

WHAT'S HAPPENING IN THE LIBRARY

Welcome to Year 7 and new students in all other years. And welcome back all students and staff. The Randwick Girls' High School library is an inviting and friendly sanctuary, as well as a safe and socially inclusive teaching and learning space for students and staff.

Opening Hours:

Library is open every day from 8.30am until 3.15pm.

In the Library you will find:

- Fiction arranged in the senior, junior, classics and easy reading sections.
- Graphic novels and manga
- Picture books
- A section dedicated to the First Nations
- Non-fiction that caters all for subjects and curriculums as well as for personal interest
- Special interest magazines like CHOICE and Readers Digest
- DVDs supporting the curriculum as well as leisure

Premier's Reading Challenge 2023

To participate students need to log on to the following website:

<https://prcsupport.freshdesk.com/support/solutions/articles/6000062941>

2023 Challenge dates:

Students can include any books read from the end of the 2022 challenge on their 2023 reading record. Key dates for the 2023 challenge are:

27 February 2023 – challenge opens for student entries

18 August 2023 – challenge closes for student entries

The PRC rules have been updated for the 2023 challenge. Students can now include up to 10 choice books on their reading records and can count 5 books from an approved series as PRC books.

Games and Leisure:

The Library has a range of board games and puzzles which students can use before school and during lunch and recess.

Services for students:

- Senior study and seminar rooms for use for private study and project work.
- Printing and photocopying
- Computers Assistance with research, assignments, related texts and creative writing

The Homework Centre:

The Homework Centre is up and running in the Library each Monday and Thursday from 3.30 pm to 5 pm. There will be ex-Randwick students who are now at university, and an experienced teacher to give assistance across all the subjects.

Once a permission note is signed and returned to the library, students can access the library and its resources for 2023.

IMPORTANT REMINDER: When attending Homework Centre students are expected to stay to at least 4.30pm otherwise they must have permission from a parent/guardian to be able leave before 4.30pm.

Try to be prompt returning library books. Keep bringing in overdue books. Thank you to all students (and teachers) who returned overdue books. There is probably someone waiting to borrow the book that is sitting on your dresser at home now.

Mr Kominos
Teacher Librarian

From the Deputies continued

Year 7 Meet and Greet Evening will be held on Monday 20 February from 5.30pm. We are sure that you will value the opportunity to put a face to a name, ask any questions you have, provide any key insights on your daughter and meet other families who have students in Year 7.

This year all students from Years 7 – 12 have been issued with a school diary to help them keep organised and on top of their homework and assessment requirements. Students are expected to have their school diary in every lesson. I would encourage all parents to ensure that you check your child's Student Planner at least once per week.

To support online safety awareness, eSafety have launched the 2023 Parent and Carer Webinar Schedule. The free webinars provide Parents and Carers with the knowledge, skills and tools to support their children to have safe, positive online experiences. For webinar registration go to:
esafety.gov.au/parents/webinars

As we begin the term, I can't wait to witness all the incredible learning activities and experiences we will enjoy together this year.

Kind regards
Ms Reilly

Term 1, 2023
Free eSafety parent and carer webinars

Join eSafety's expert education team for a free live webinar designed for parents and carers.

After three long years we were able to have our first whole school swimming carnival and it was a resounding success. A big congratulations and thank you to Sarah Thompson our sports coordinator for her superb organisation and running of the day. I could write multiple pages on how well behaved the students were or how much fun they had through to the house cheers or staff v student relay, however, I feel the pictures will do this justice.

RANDWICK GIRLS' HIGH SCHOOL

RANDWICK GIRLS' HIGH SCHOOL

Newmarket Stage 2 - Construction Update February 2023 for Randwick Schools

08/02/23 Site update for Randwick Schools' Newsletter:

The Newmarket Randwick Stage 2 project team has made a strong start to 2023 with the installation of inground services continuing along with the transport of soil offsite. Throughout February a piling rig will be brought into the site to complete the foundation piles to support the building. We anticipate that construction traffic conditions from the project will remain at similar levels to those experienced in 2022.

During the first quarter of 2023 the hammerhead crane will be erected on site and Lendlease Building will shortly be launching a "Name the Crane" competition with the pupils of Rainbow Street Primary School.

We anticipate that concrete trucks will also commence during the first quarter of the year for concrete pours across the site. When this occurs, traffic flow into the site will enter and exit via Fennelly Street throughout the day.

Should you have any questions regarding this update or on-site activities, please contact the Lendlease Building project team on the details below:

Phone: 1800 879 029

Email: newmarket@lendlease.com

Randwick Girls' High School P&C is a group of parents, carers, staff & community members who work together to provide opportunities for all students at RGHS. We meet on the third Monday of the month during school term at 7pm. We acknowledge and pay respect to the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.
